

Eesti Vabariigi Aupeakonsulaat
Consulate General of Estonia
Consulat Général d'Estonie

Stay safe! Stay healthy! **Enjoy Christmas!**

In ordinary times, Christmas greetings with thoughts of caution, determination and patience, would sound strange. However, in extraordinary times, the Consulate General is confident that the legacy of Estonian resilience will win.

Even though isolated from each other, we are in this together and we sincerely wish everyone good health as well as bountiful peace and joy.
